Adopt a family

You can help a family affected by domestic violence this holiday season. Each year, Missouri Shores and sponsors provide Christmas presents to families in need. In the past, individuals like you, school / youth groups, and other social organizations have adopted a family for Christmas. As a sponsor, you can make a cash donation or sponsor a family directly. This year, you can help bring the joy of the holiday to more families than ever before. In 2008, Missouri Shores, with the help of private donors, provided Christmas gifts to over 50 families in our six county service area. **Would you be willing to help?** Call Missouri Shores at (605) 224-0256 for more information.
